ASTRUM

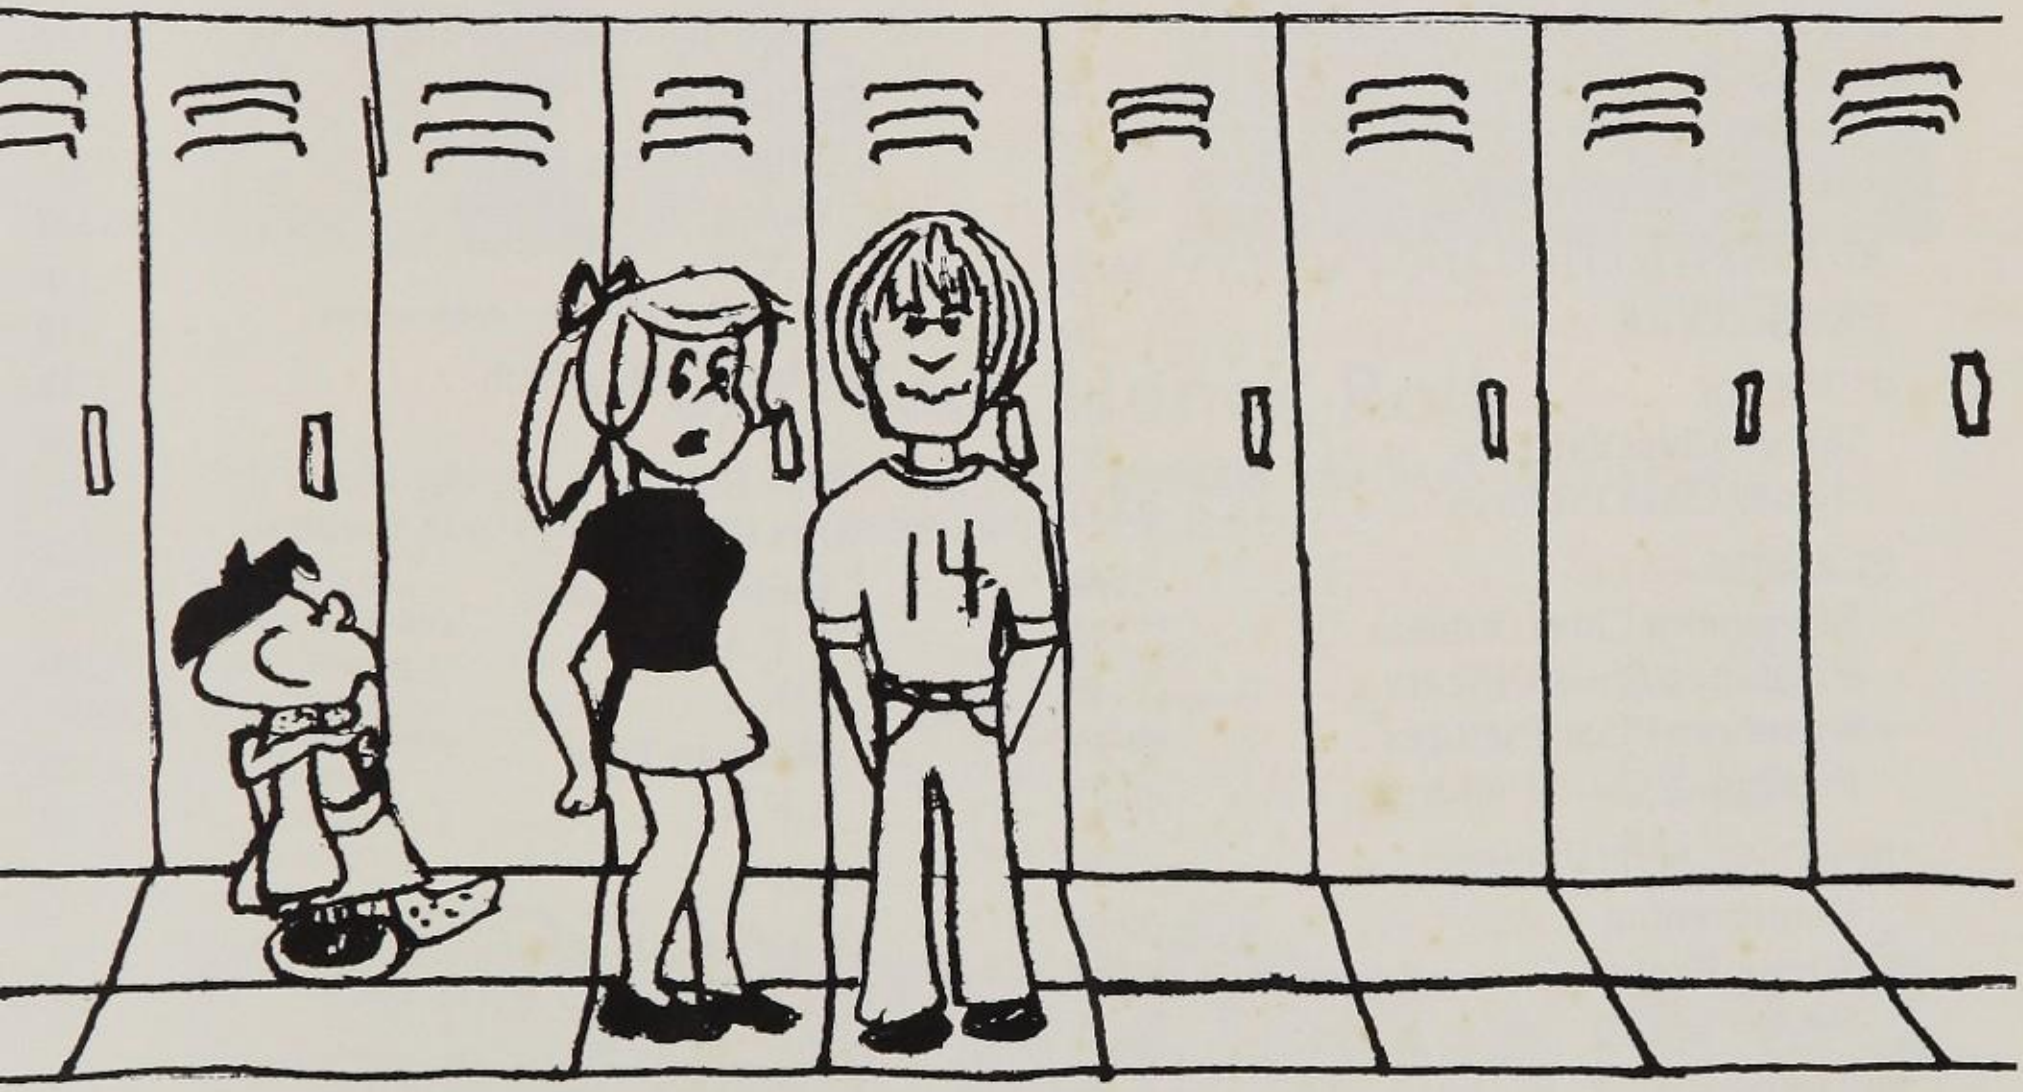
"1975"



Two themes have been chosen for the 74-75 edition of the **Astrum**. The outer theme is a "locker". For many students, a locker is a place to store all the things which form memories of their high school days. We, the **Astrum** staff, have tried to capture these memories through our second theme, the "comics". We sincerely hope that everyone finds a few memories captured in the comics within the door of our locker.

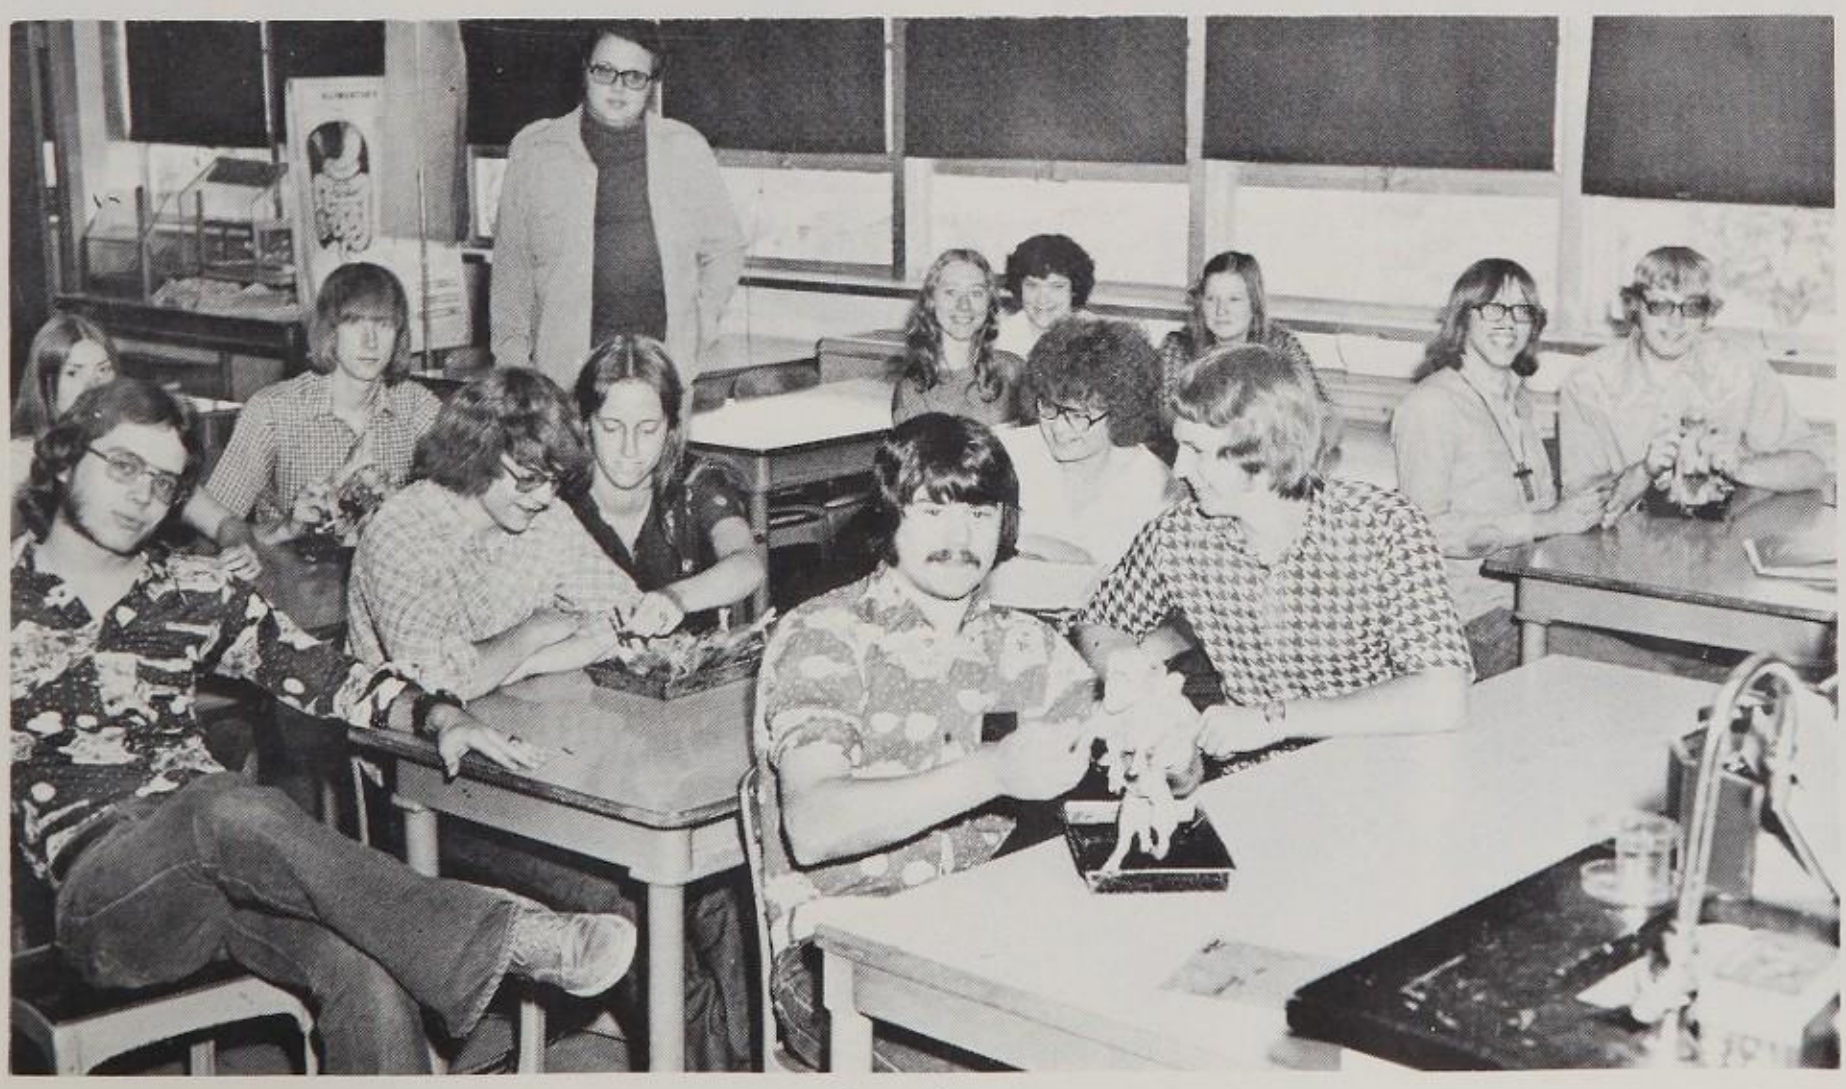
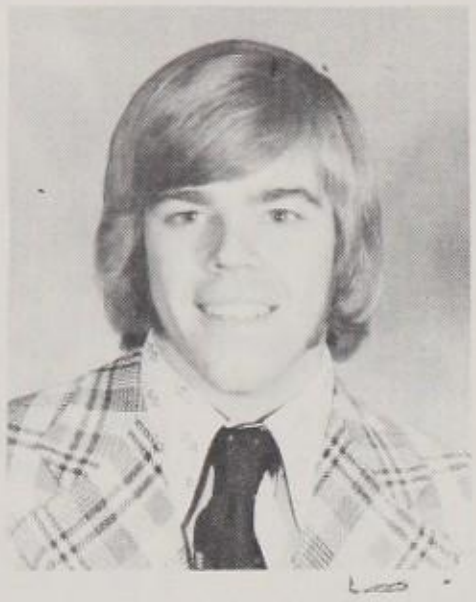
CLASS OF '75

CLASS MOTTO

Don't walk behind me I may not lead,
Don't walk in front of me I may not follow,
Just walk beside me,
Let me be me.



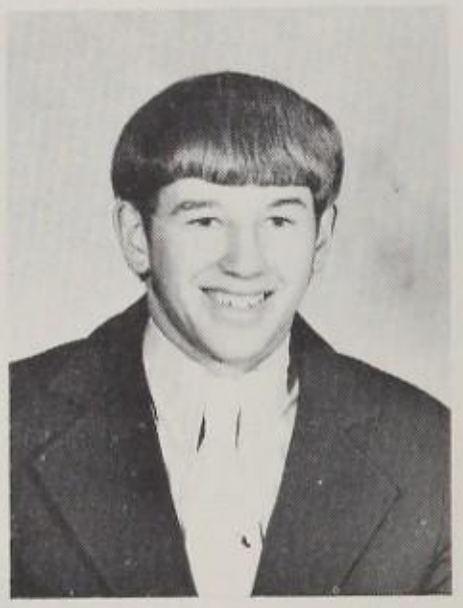


ABBIE ACORD - "Ms. Boobie", with her fun loving spirit, was an active member of the senior social club. Through the "BS" she helped many people with their "traumas" and because of this she'll always be "tops" with the kids at A.H.S.

BRUCE ALLEN - Bruce's witty remarks were "stu-pud." But as top scholar, he amazed the school with his phenomenal knowledge. His personality and good looks made him our well deserved Prom King. Bruce was an active Student Council President, as well as an outstanding athlete.

TIM ANDERSON - "Monkey" was always seen on the loop in his "Big Red" or at one of our class parties. Although he will always remain in our memories, he made quite an impact on a certain freshman girl.

JEFF ATTIG - "Tater" was all "eyes" when watching race cars. He was famous for his great racing tips in the "BS". Jeff added much to F.F.A. as the President. Winter Frolics will never be the same since Jeff "sprouted" up a King.



CAROL AUTENRIETH - Although Carol was one of the quieter members of the class, she was a willing volunteer. Carol had many talents, from interesting speeches to creating her own clothes. In her "spare time" she would be working at Joe's Pizza.

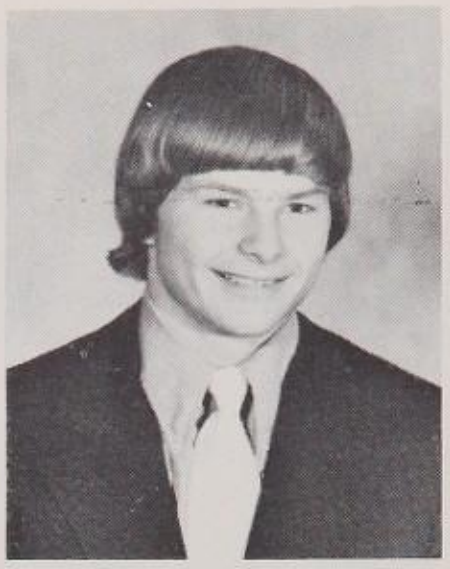
CHERYL AUTENRIETH - The other half came here from Michigan-land to join our class our freshman year. Though she was shy, she always had a comment to make in Human Anatomy. Her P.E. abilities added much to the school days.

ANNETTE BARNES - "Butch" was always looking for a good time. An interest in band kept her busy with practicing her "Baby Flute" every night, marching with the "100", or helping out in Pep Band.

KRIS BIVENS - Kris knew how to have a good time. Weekends won't be the same without Kris' Vega bombing the strip. As an active three-year member of the Pom-Pom squad, A.H.S. will miss Kris' many talents.

SUZY BOGGUSS - "Ski Slope" could always be seen cheering our teams to victory, singing in the musicals, or displaying her marvelous talents in art. No way could Suzy's bubbly vivaciousness be dampened.

PAUL BORUFF - "Zon" always seemed to be on the "short" end of things, but not in sports. He was an active member of the senior social club. One could always hear his "Well watcha doin'" or "you kin neck"!



DONALD BRANDON - Don was a rather quiet guy, but 1st hour P.E. will never be the same without his antics and opinions. With his easy-going nature, Don was a very conscientious worker.

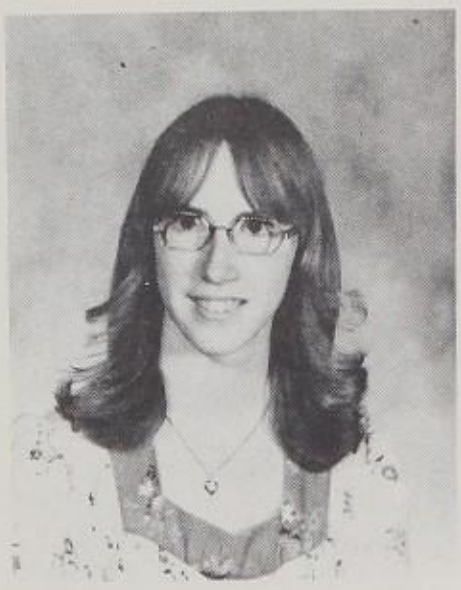
JON BRECHBIEL - Nothing could interrupt Jon's faithful bicycling - rain, sleet, hail, or snow. His Homecoming speeches became an A.H.S. tradition. Invariably he was present to root for the Dragons.

CHANTAL BREDA - Although Chantal came to us from Belgium late in the year, she made friends quickly. Chantal was always amazed by the "American ways". She had many experiences on field trips with Mr. Good's Marine Biology class, and she was one of the sweetest A.F.S.'ers at A.H.S.

BOB BROOKS - "B-R" Bob always showed his spirit at the games. His portrayal of Mr. McKensey in "Brigadoon" was outstanding. As a versatile member of the band, Bob played a mean baritone.

CINDY BROWN - Cindy, alias the "Curad Kid", had a bright smile and hello for everyone. As Pollyanna, she expressed her dramatic ability. In 3rd hour P.E., Cindy was a terrific tumbler and a basketball bombshell.

DIANE BROWN - Diane was a real fun-loving girl. Although she worked for Mer-Roc in the mornings, she made herself heard in the afternoons, especially in 6th hour economics. Her spare time was spent with a good-looking red-head, and she was destined to become a "marchioness" early in July.



JOY BROWN - Joy the "Frog" or "Camera freak" could often be seen sneaking through the halls with her camera, looking for evasive seniors. She really proved herself in all phases of instrumental music. Her "hoppy" personality enlived our classes.

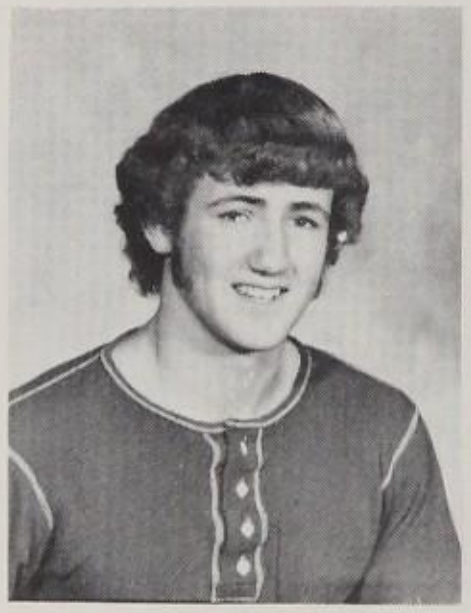
TAMI CHELLOS - Although Tami was a member of the Seaton gang, she could usually be seen taking the Aledo loop. Her friendly smile brightened the halls of A.H.S. She spent her afternoons working at the Country Club.

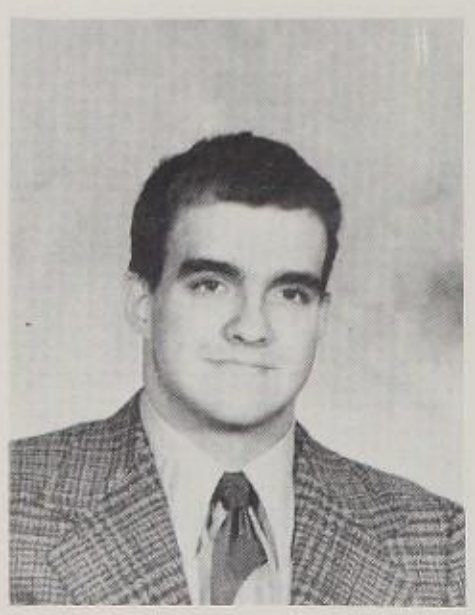
SHAWN CONWAY - During first semester Shawn commuted to Blackhawk, but he returned to A.H.S. for afternoon classes and football. As a four year member of Student Council, "Lunch-Rat" helped to form school policies. He left us for Honduras second semester.

VICKI DAHL - Vicki was a devoted cheerleader and student council member. She would always contribute with either an opinion or a hand. As one of its first editors, she helped out with the name of the "B.S."

STEVE DELLITT – "Truckin Moe" worked for Dellitt's trucking as one of K.R.'s I.O. boys. If Steve wasn't racing in the big truck, he was around town in his Blue Camaro.

LINDA DIEHL - Linda could always be seen typing for either the teachers or student council. She showed her spirit by keeping stats for our team. "Ya-butt" could usually be seen arguing with "Dungi" or talking to Mr. Breeden. In seventh hour Philosophy class, Linda's luscious cakes influenced our Darwinian thoughts.



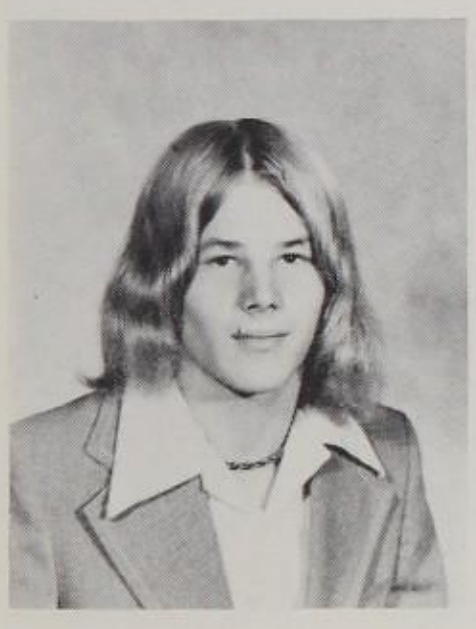


SANDRA DIEHL - With ruby colored hair and a "Rhine"-stone on her left hand, Sandra was a girl with gems in mind. She let people know her opinion in 7th hour philosophy.

PATTI DOBBS - "Aud" was always bubbling over something. She had a secret ability to catch all the good looking guys while the rest of us tried to learn her secret. As a majorette, Patti added a certain sparkle to our band.

SUSAN DRISCOLL - Susan was one of the "Band-aid Twins." Even though you rarely heard her, you could find her leaning on the heater in the lobby. After school hours, Susan either cruised the loop in her white L.T.D. or strummed her guitar.

LUANN ELAS - "Big Lu" or "Luscious Lu" was an avid fan of Elton John. She was a golden sparkler on the football field in her majorette uniform. LuAnn could always be found in the middle of a party.



GAYLE FAUSETT - Gayle appeared to be quiet, but she was just as zany as her brother. Greer's had the pleasure of her devoted service. She always had a bright, sunny smile for everyone.

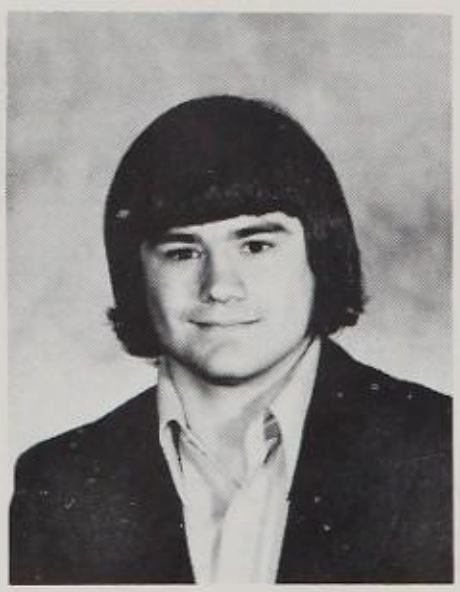
DEBBIE FINCH - Although Debbie had to spend most of her time with her family, she will always be remembered by our class. We hope Debbie never "loses her chair" again in front of a room full of people.

SCOTT FINCH - Usually Scott could be seen headed toward K-burg or Davenport, but whenever he was around, there were good times. Scott's happy-go-lucky style and charming personality contributed much to A.H.S.

SUSAN GLENN - "Tongue" with her bright red hair, usually helped out at her Mother's gas station. Susie was good at getting her point across to teachers. Her singing talent won her the McKinney Award for vocal music.

CATHY GOOD - "Got-no-brains" was usually seen with "Ching-Bing" or writing basketball stats or playing in the band or singing in "New Horizon". Although Cathy lost her "Brown" nose, it was a "Good" choice for her.

PAUL GOOD - "Ching-Bing", our "Chinese import", really knew how to have a good time. He showed his many talents by being an active member of student council and a hard working athlete. Although Paul's skin may have been slightly "yellow", his favorite color seemed to be "Brown".



DOUG GOWDY - Doug really improved our musicals and the "Bridge" with his singing ability. He could usually be seen taking the loop or in the middle of a party. A.H.S. will never be the same without Doug's clever comments.

PATTI GRAY - "Za - face" put on an air of being quiet, but once she let loose there was no stopping her. Patti was an enthusiastic fan, cheering the Dragons on or practicing in the "New Horizon". There was always time for a smile for everyone.

BRAD GREER - "G-r-r-r-r-r" gave his time and talent to the plays of A.H.S. Brad distinguished himself since he gave the "B.S." its only "G-r-r-r-r-r" of the week. Brad was proud to be a member of the Seaton gang.

KATHY HANEY - Kathy contributed a great deal to the athletic department. She could be seen either gracing the football field with our pom-pom squad or sliding underneath a volleyball. She was always looking for a party, and knew how to have a good time.

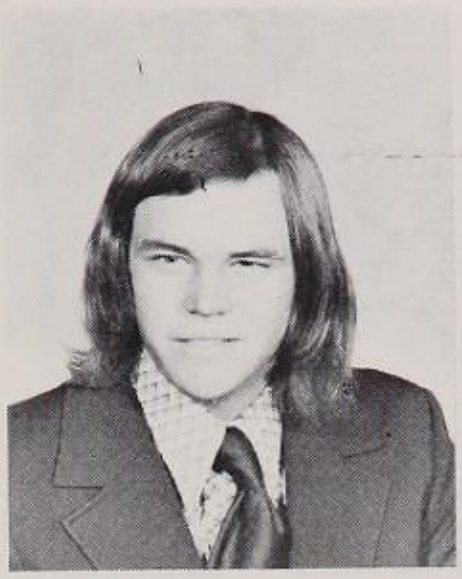
TERI HARMON - "Duck" always had a friendly "quack" for everyone. She proved her musical ability by winning the John Phillip Sousa award. Because of her good looks and popularity she was our F.F.A. Sweetheart and Band Queen.

JULIE HARRINGTON - "Roller Derby" entertained us with her great sense of humor. Although Julie was at Cele Whan for half a day, she made her presence known in the afternoon. She could usually be seen at the T.F. or driving around the loop.

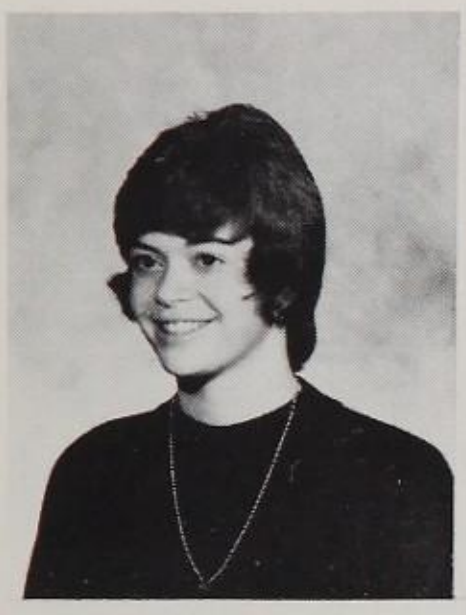
DEBBIE HARROUN - This cute, bubbly senior, never let her spirit get "Lower-ed" when she was teased about being a sheepdog. She had a great ability to make many friends. Debbie made it her business to keep books in order at the Public Library.

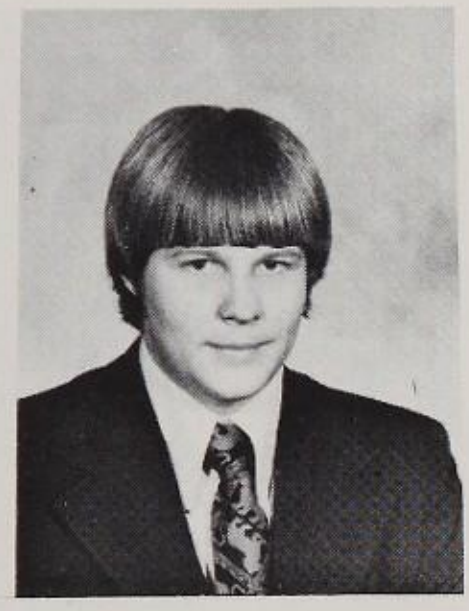
TIM HASTINGS- "Trophy Tim" or "P.P. Zinger" proved to be a "Hazard" on the football field. He was a smart guy, but when he got mad the "Wood" started to fly. He was a prominent member of the debt patrol.

LEO HENDERSON - "Bud" was a fun loving guy. You could tell when Leo was around just by looking for the dealer's plates. His sly remarks never failed to draw a laugh. Much of his time was spent in a twin-engine Piper Cub.



DONNA HIPKINS - Donna was keenly missed at A.H.S. in the mornings since she worked at Cele Whan. Although Donna was very active, she reminded us of an old woman because she always had her "Shawl" around her.



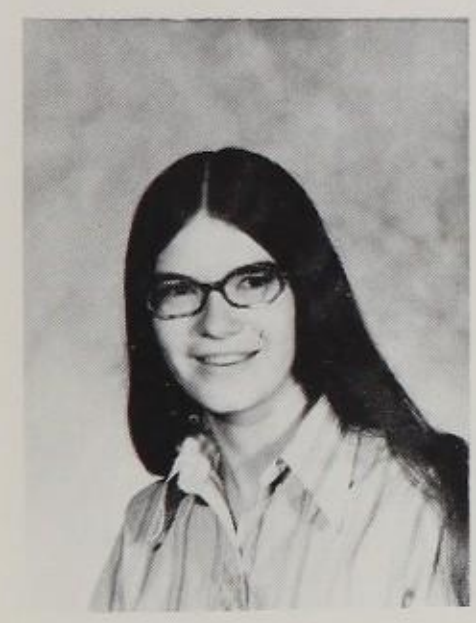


CINDY HUNTER – "Hoo-ya" was very active in class and at the weekend parties. She always seemed to be in "hairy" situations. When not working or at a party, Cindy could usually be seen on the loop.

KEVIN JOHNSON – "Rollo" will always be remembered for his crazy antics and for all the troubles he gave the underclassmen. Although Kevin was gone half days because of I.O., he made up for the time he missed when he got to school.

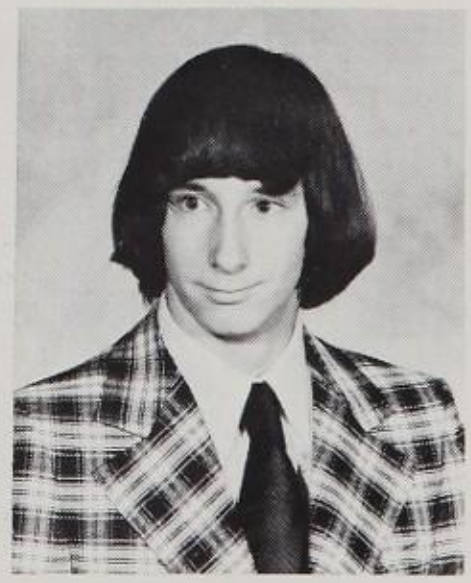
ROSE ANN JOHNSON - "Dimbito" will be remembered for her "orrers". Rose Ann's special talents of singing and playing the piano helped in "Flight". She could usually be seen with a certain Aledo alumni.

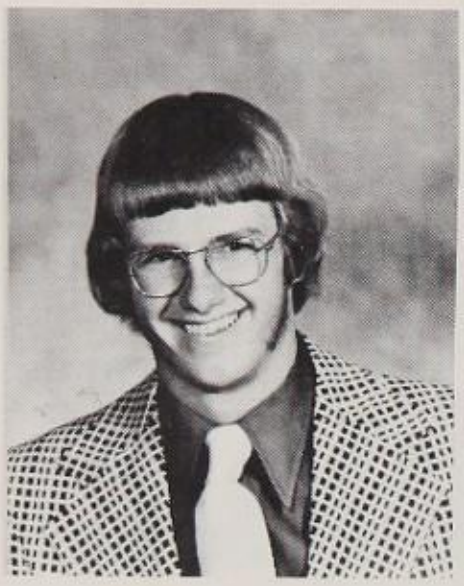
BRENDA KELLY - Brenda, one of our petite girls, had a sparkle in her eye and on her finger. When she fell into a sticky situation, she could grin and "Bear" it. You could count on her to run to the football field to join the Pom-Pom squad.



DAVID KENDALL - Dave was one of the quieter fellows in our class, but we all know his spirit wasn't so calm. Dave was always ready to argue in 7th hour philosophy---on the days he was at school, that is.

JOE KOZELICHKI - "Slow Joe" took quite a lot of teasing about his impossible last name. Joe had opinions on almost every subject. Sixth hour government looked forward to Joe's many remarks.





KENDALL KRUSMARK - "Krendall" along with his "brother" Les Puffinburger, made "Gerber twins". Even though he didn't say much, Kendall worked hard at Cooper's.

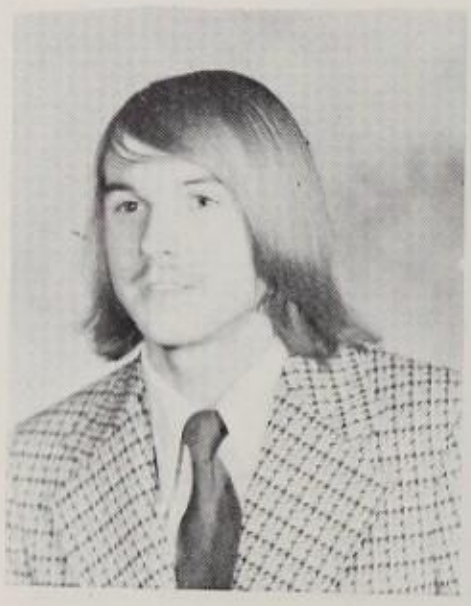
PAT LAFFERTY - While "Dungi's" exploits cannot be fully developed in print, his antics on the football field and in the lounge are remarkable. Nevertheless, he stood behind the "principal" of the thing.

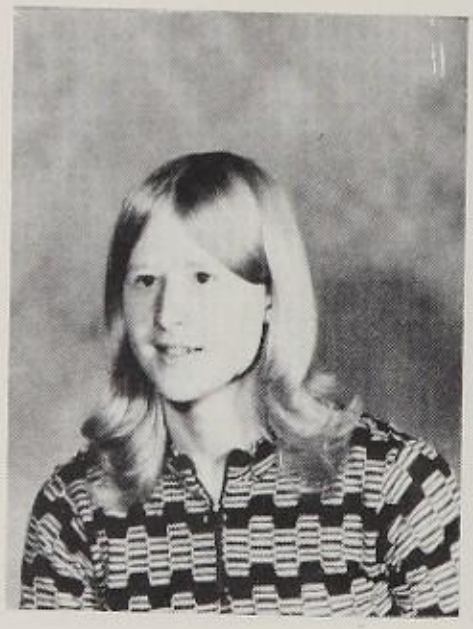
RICK LANTAU - When not driving around town, Rick could be seen proving his athletic ability in P.E. class. Although Rick was usually heard more than seen, we all know Rick had a quiet, "loving" spirit.

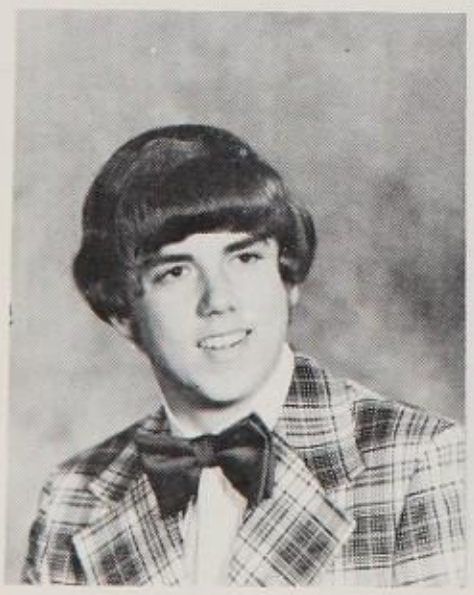
CINDY RAMSDELL LESLIE - Although home life kept Cindy very busy, she always had time for fun. Cindy proved who really had the key to her heart by displaying a huge Elton John poster in her locker. Cindy was very popular at A.H.S. because of her "Amy-able" personality.

MARCIA LESLIE - Marcia was always sure to get a laugh with her remarks in 4th hour lounge. Marcia was a real live-wire and knew how to have a good time. When not in the middle of the fun, Marcia could be seen working at Quinn's.

KAREN LINGAFELTER - Karen was frequently shooting the loop in her Ford truck. If there was any excitement to be found, "Link" would be around. She had a personality that could turn "gray" skies blue.





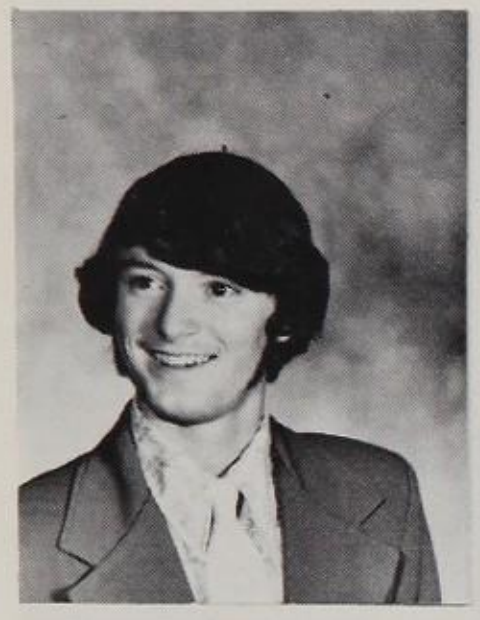


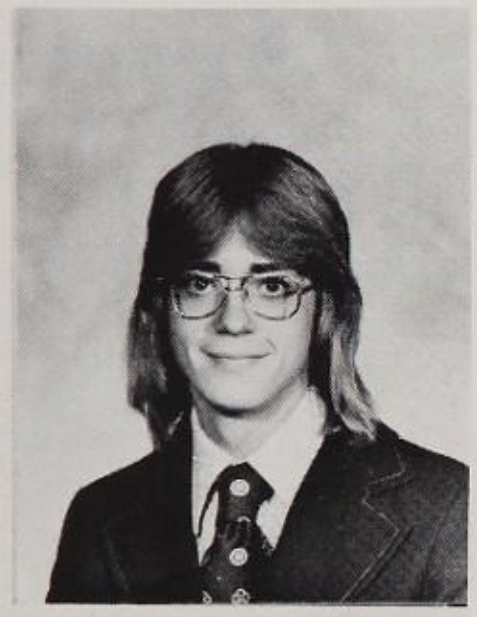
DENNIS LITWILER - "Bunny" worked hard for our class in student council. He also proved his athletic ability in track and basketball, although we wondered whose team he was for at the Knoxville game. Despite his activeness, Dennis was known to "Terri" in the halls with a certain junior girl.

TED LONG - Because of his good looks and fun personality, Ted was voted this year's Homecoming King. Ted could always be found having a good time whether he was riding his motorcycle or with a certain junior girl.

TEDDI LONG - Even though Teddi had an "engaging" personality, she was usually seen and not heard. Teddi proved her singing ability in chorus and our musicals. Individualized English was enlivened with her opinions.

PAM LUND - As a devoted member of girl's track, "Wilma" could almost always be seen jogging around the streets of Aledo. Pam was also involved in her school work as she was one of the top 10 percent scholars. As a member of our cheerleading squad, Pam helped lead our teams to victory.

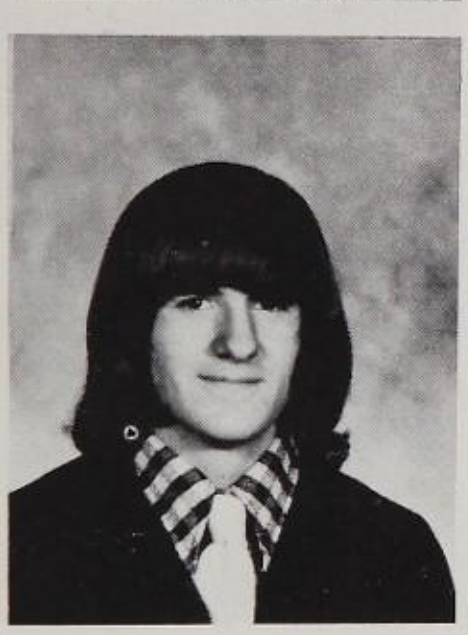




DICK McBRIDE - "Little" Dick was a common face at the bowling alley. His motto was "Go 'West' young man, Go 'West'". His remarks and "tricky" bookkeeping ability were a novelty.

DAVE McCAW - As one of "Fred's" boys, "Cricket" knew a lot about farming, but he still "longed" to get into town to see a certain junior girl. With his easy-going, fun-loving manner, Dave is sure to be a real winner.

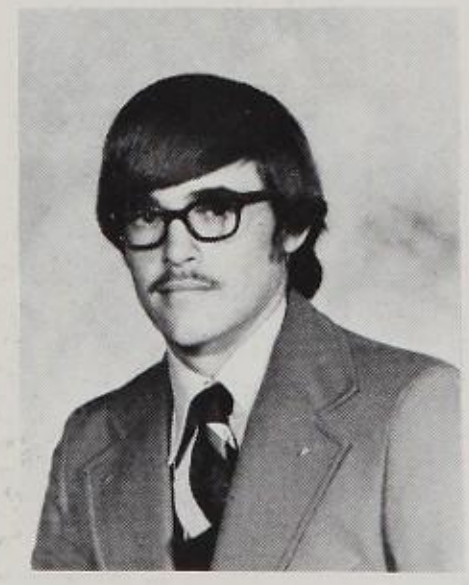
LORI McCAW - Although Lori was active in class activities and parties, she seemed to have a special interest in the class of '74. Lori was one of the best dressed girls in our class because she was always going to the "tailor".



JIM McCLELLAN - "Boo-boo" was smarter than the average farmer. Whether sticking his nose in someone's "picnic basket" or getting "banged up", he often was rousting up a few "Hairy" experiences.

STEVE McGUIRE - "Charlie Brown", as drum major, gallantly led the band through many parades. Often, he was "Bopp-Bopp-Bopping" around town. Steve really helped "light up" the lives of the people in our school plays.

PATTY McKAY - Even though Patty was rather quiet, she really let go and gave her all in chorus and "New Horizon". Patty could often be seen on the football field "flagging" people down as she worked on routines for our games.

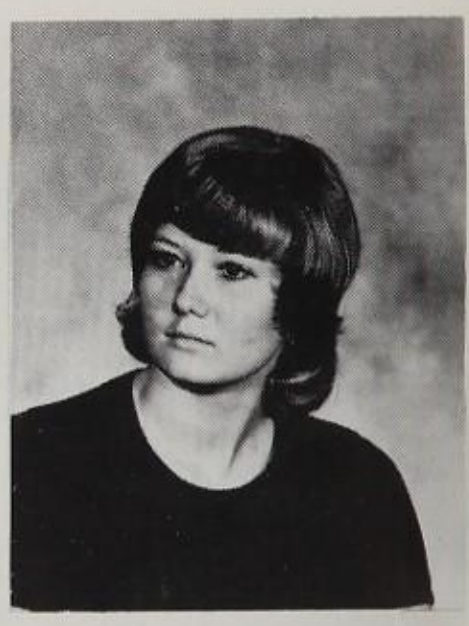


DAN MAHON - "Stickman" was well known for his sense of humor, among other things. Dan could always be found having a good time, whether he was in the center of a party or just hanging around a bunch of "bananas". Despite his "fun" nature, Dan ranked in the top ten percent of our class.

MITCH MEMINGER - "Studley" was a very "Jo-Lee" person. Mitch worked hard in track and his efforts really helped our team, but his mind kept turning to the "silos" on the farm. With his easy-going personality we're sure Mitch will go far in the Marines.

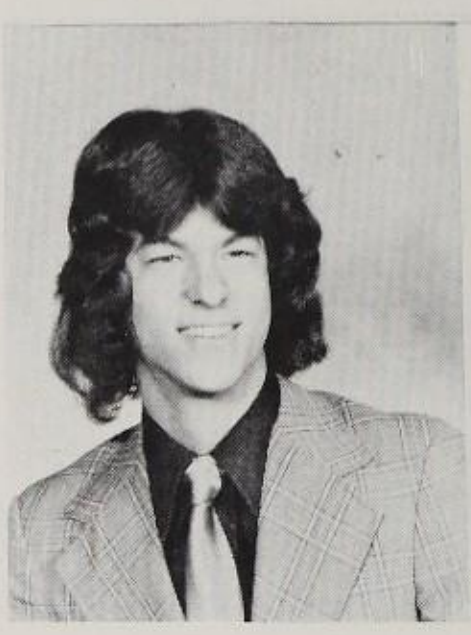
MARK MENCHHOFF - "Grundy" often spent a lot of time picking up his 396 off the road and sticking it back together, but this didn't effect his grades. Although he is planning to be an American Ag. major, his favorite animal was a Tasmanian "Koala".

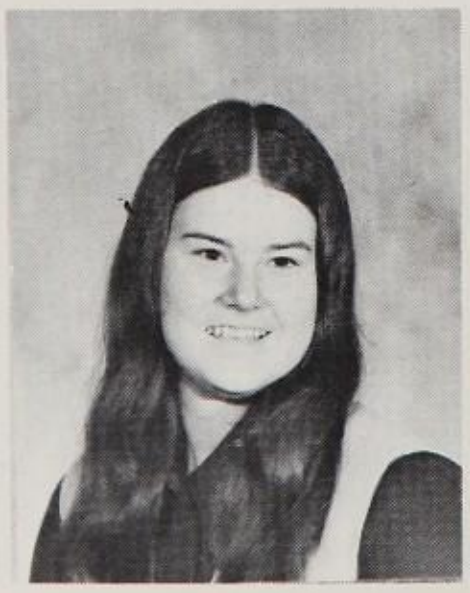
JOETTE MILLER - Although Jo spent her mornings at Black Hawk, she made her presence known in her afternoon classes. She enjoyed going to all the weekend parties, and she really knew how to liven them up. Joette lived in Aledo, but her heart was in another town.



MIKE MILLETT - "Zulu" had more names than the rest of our class combined. He also had more height. His long "Leng-thy" body allowed him to stand above a crowd anywhere he happened to be. Whether he was jumping hurdles, playing his guitar, or working at Jack and Jill, Mike was sure to be having "AB-solute" fun.

KRISTA MOWRY - Though Krista could hardly "bear" high school, she still contributed a lot to the Pom-Pom squad and A.H.S. While most of us looked toward graduation, Krista's mind was on a certain day in June.



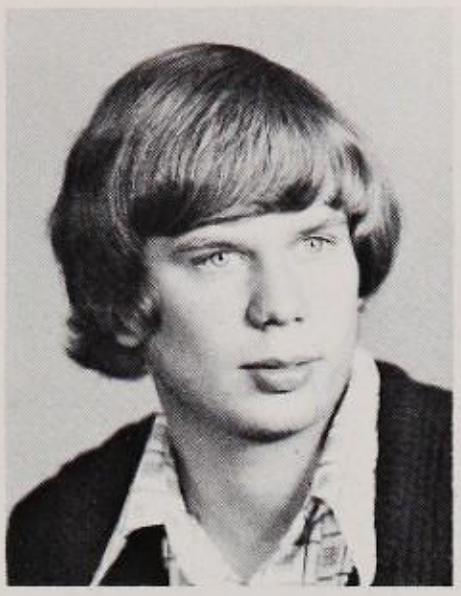


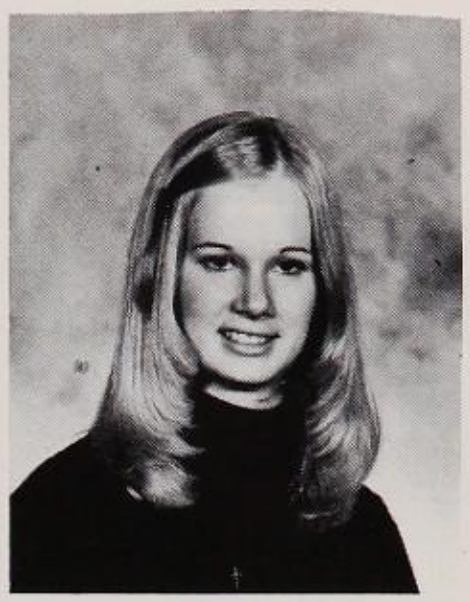
DENNIS NELSON - "Dennis Schaper" often "Shazamed" uptown in his "lightening" fast Brown Torino to run errands for his "Daddy". Toward the end of the year he became a member of the "Water Brigade" with his trusty fire extinguisher.

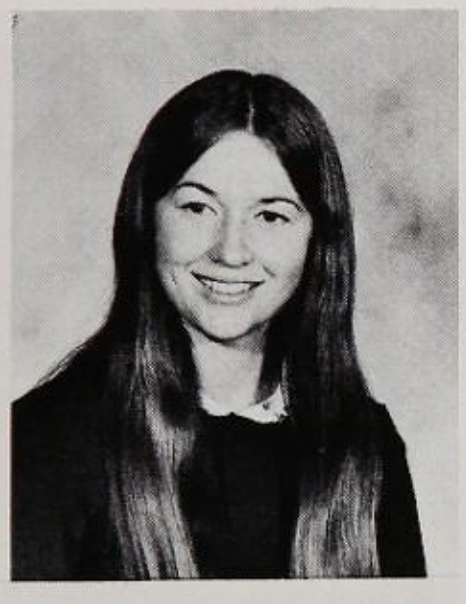
CHERI NEWBERN - Cheri's bubbly personality could be found anywhere in the halls of A.H.S. Although Cheri spent half the day at Apollo with the P.E. classes, she could be very delicate with the dolls at her mom's antique shop in Viola.

RICK OTT - "Otter", with his head in the sky and body crashed in the lounge, just "floated" through his senior year. He always gave excellent service to customers at Deep Rock.

PATTI PARKINSON - "Parkin" Patti didn't have much in common with her canine twin, but she made a pretty queen candidate. She was always in the midst of a big party. Patti's interest and ability in Inhalation Therapy kept the rest of her time occupied.

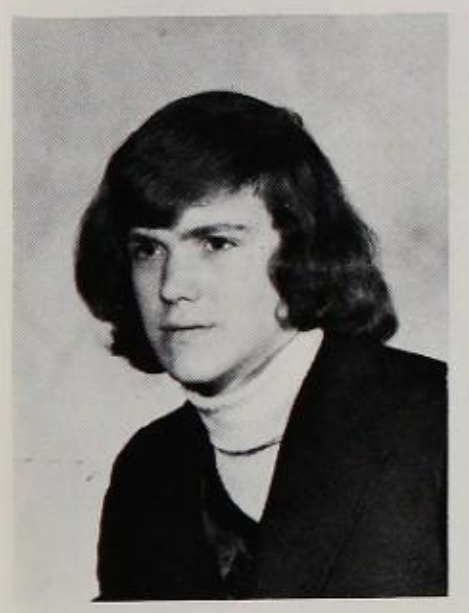






KEVIN QUINN - "Long-Hair" was famous for his wild parties. Although Kevin knew how to have a good time, he still had time to get high grades in class. Kevin really knew about the McNall's motto of being "very friendly". With his fun-loving personality, Kevin will be a real asset to U. of I.

LORI REID - Lori's motto was a bird in the hand is worth two in a "Bush". She had great leadership qualities and outstanding artistic talent. She also had a talent of twirling a rifle which she exhibited at many of our games.

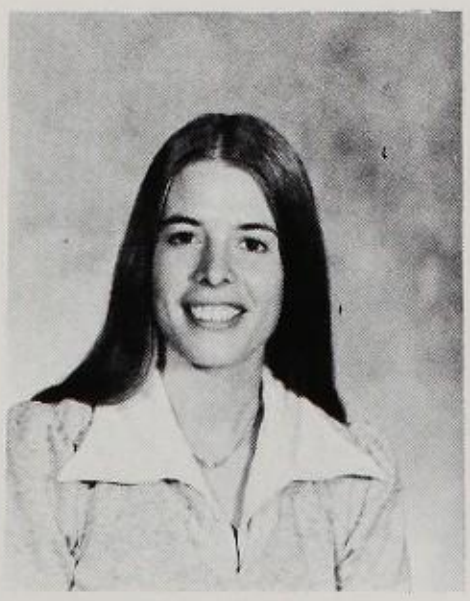


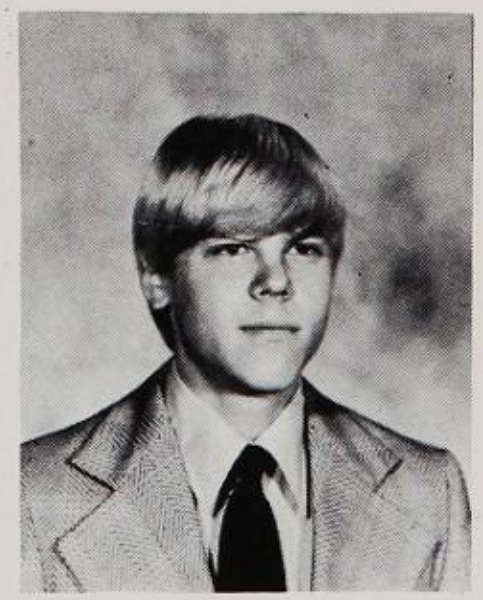
BRUCE ROBINSON - Bruce was a real "farm boy" which he proved by working at Case in the afternoons. When he wasn't working, Bruce could usually be seen as one of the "wild riders" around town on his motorcycle. We all wish Bruce the best of luck in the service.

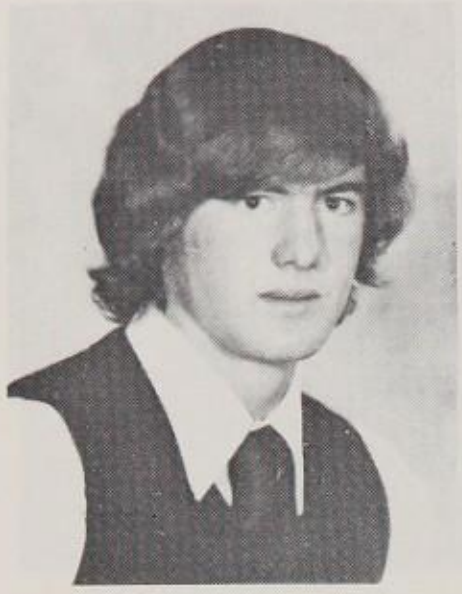
MELANI ROSE - Mel came to us in our freshman year, and, because of her warm personality, she made friends quickly. She was a great athlete and exhibited her ability on our volleyball and track teams. She also had musical talent and was valuable to our chorus and band. We hope she likes her new home in Rockford. We'll miss her.

ANN RUNYON – "Runtyon" was "Tall" on her facts when it came to football. "Little Franco" kept good records and took fine pictures of all the games. Ann will make a great "P.E. Girl" at U. of I. Her talent at the keyboard won her the Chopin Award.

JAMES RUSH - "Tony" was known for his "great, memorable" statements. He also had a keen sense of direction since he goes to Monmouth by way of Galesburg. Our football team really appreciated Tony's help managing things.







CRYSTAL RUSSELL - You could hear Crystal "ringing" with laughter in Art class and throughout the halls. She was one of the outstanding artists at A.H.S. Her remarks in Anatomy added a bit of humor to the class.

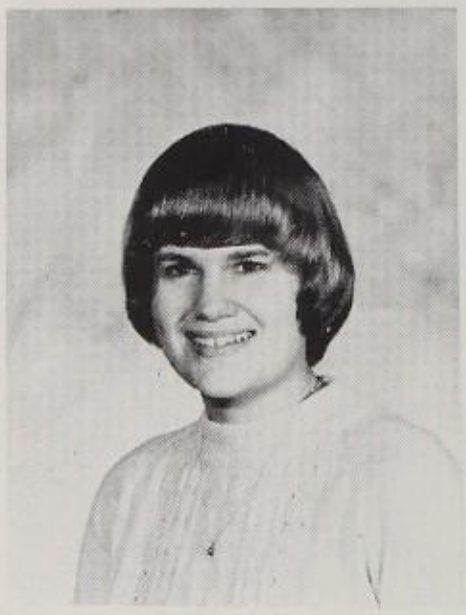
MONTE SACKVILLE - Aledo's own Ewell Gibbons could usually be seen chowing down anything from a pine tree to a "can". "Sacky" loved to raise "Caine" on the high school hill.

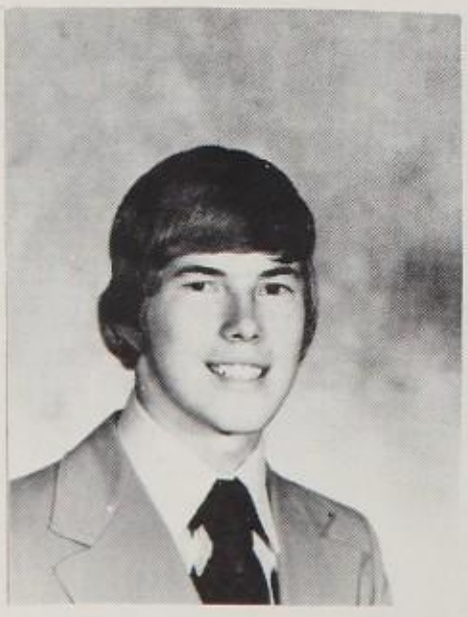
CAROL SHEPHERD - "C.C." was your basic type of "spacy" person who **really** could have fun and make people laugh. Mrs. Greer's Shakespeare class will miss Carol trying for her "basic points." Although Carol was only here during the first semester, she left us with an entire years' worth of laughter.

JULIE SLOAN - "Twiggy" was often seen cruisin' in her little brown Maverick. Julie loved a good time and could usually find or make one. Her speeches in first hour were memorable.

JANE SPENCE - Jane was "heard" rather than seen around school. She got herself in some rather embarassing situations at times, but she could always laugh about them later. Jane had a fun-loving personality. She could really handle the teasing that the senior boys dished out.

BECKI SWEARINGEN - "Buck" was often seen in the "woods" with a certain "Hazard". She was very active in student affairs and on weekends. Becki did a lot for our assembly's which made school more bearable.

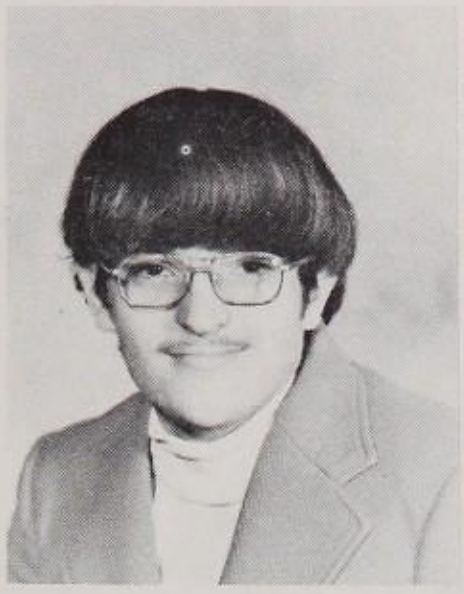




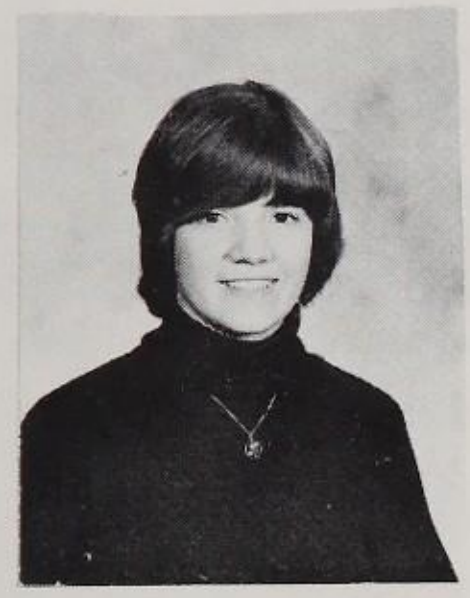
DANNY THOMPSON - "Buzzard" could be seen "flying" around the "Northside" of town looking for "rats under all the rugs". He enjoyed life from a "plumber's" point of view.

DENNIS UNSWORTH - "Narc" was our fearless class president. He always had a "Worthless" remark for everything. Dennis was a devoted "Fred's boy" and his ability in band was a real contribution, but Dennis will be remembered most for some of his antics in speech.

RODNEY WADHAMS - Rodney spent his life at A.H.S. in a world of "belly-buttons" and "belt buckles", but usually had something good to say about everything. He was a great help at Jack and Jill's in preparing for "Saturday Nite".



GAIL WARD - "Koala" sometimes was seen hopping around with a handful of tinsel. Gail was a big help throughout the school and the community. She could voice a Tasmanian opinion in student council. The A.F.S. club wouldn't have been around in A.H.S. without her.



LEA ANN WARD - Lea Ann, alias "ringer" was a terror of all I.O. people who were behind on their dues. She heard "bells" ringing in the future. Lea Ann helped to beautify our football game half-time shows with her Pom-Pom ability and her warm smile.

KATHY WEEKS - "Bird legs" could usually be seen fluttering through the halls of A.H.S. with a certain senior guy. He really seemed to make her "sparkle". Everyone "worned" Kathy about things, but she seemed to stay happy despite it. She was a nice addition to our flag squad.

SCOTT WILLIAMS - Besides roaming the halls "hunting" for a certain Junior girl, Scott was "Dian" to get into the fields to farm. He had a great sense of humor which really came in handy. His capers in 3rd hour study hall brightened our forenoons.

PETE WILLITS - "Mortician's" true personality really came out at the graduation party. Pete's "I think I'm going to be sick" in Human Anatomy was a daily statement. He really excelled grade-wise and became one of our top scholars. He also proved his patriotic and historical interests by winning the area Voice of Democracy contest.

DON WORNER - "Don'ld-Don'ld-Don'ld" spent alot of his time at the T.F. looking at the extra "chicken legs". Although Don didn't arrive till our sophomore year, he made friends quickly, and his "weeks" of high school "flew" by fast. Don could often be seen truckin through the loop.

Aledo High School, as well as many schools across the country, has followed the trend towards girl's sports. This year A.H.S. was proud of their first year volleyball team. The Varsity and Junior Varsity squads were coached by Miss Judy Nelson. Although this was just their first year, their ability was proven by their outstanding season records. The Jr. Varsity completed the season with a record of 13 wins and 2 losses; while the Varsity closed with a record of 12 wins and 3 losses. During this season, Aledo was up against some stiff competition from such schools as: Alwood, Westmer, Orion, Union, Rockridge, Yorkwood, and Rock Island.

Cinder Cinderellas

Aledo High School had interscholastic track for girls for the first time during the spring of 1975. We started workouts in March with approximately 35 girls participating. The girls were eager, determined, and dedicated. All classes were represented on the squad. We were quite proud of their record as they won over Rockridge, Knoxville, East Moline, and made excellent showings against much larger schools such as Rock Island, Galesburg, and Monmouth. Some of the records set this year were very fine ones and will be a challenge to break in years to come. Losing only four Seniors, we are looking forward to a good year in 1976.

Girls who won varsity during the season are: Gail Meminger, Pam Lund, Kristie Cooper, Donna Burrill, Kris DeBord, Patty Tweed, Debbie Jones, Merri Stancliff, Chris Birkhead, Lisa Bonynge, Jo Lee, Lisa Adolphson, and Kathy Haney.

"On your marks, get set, BANG!"

"How far did you jump, Gail?"

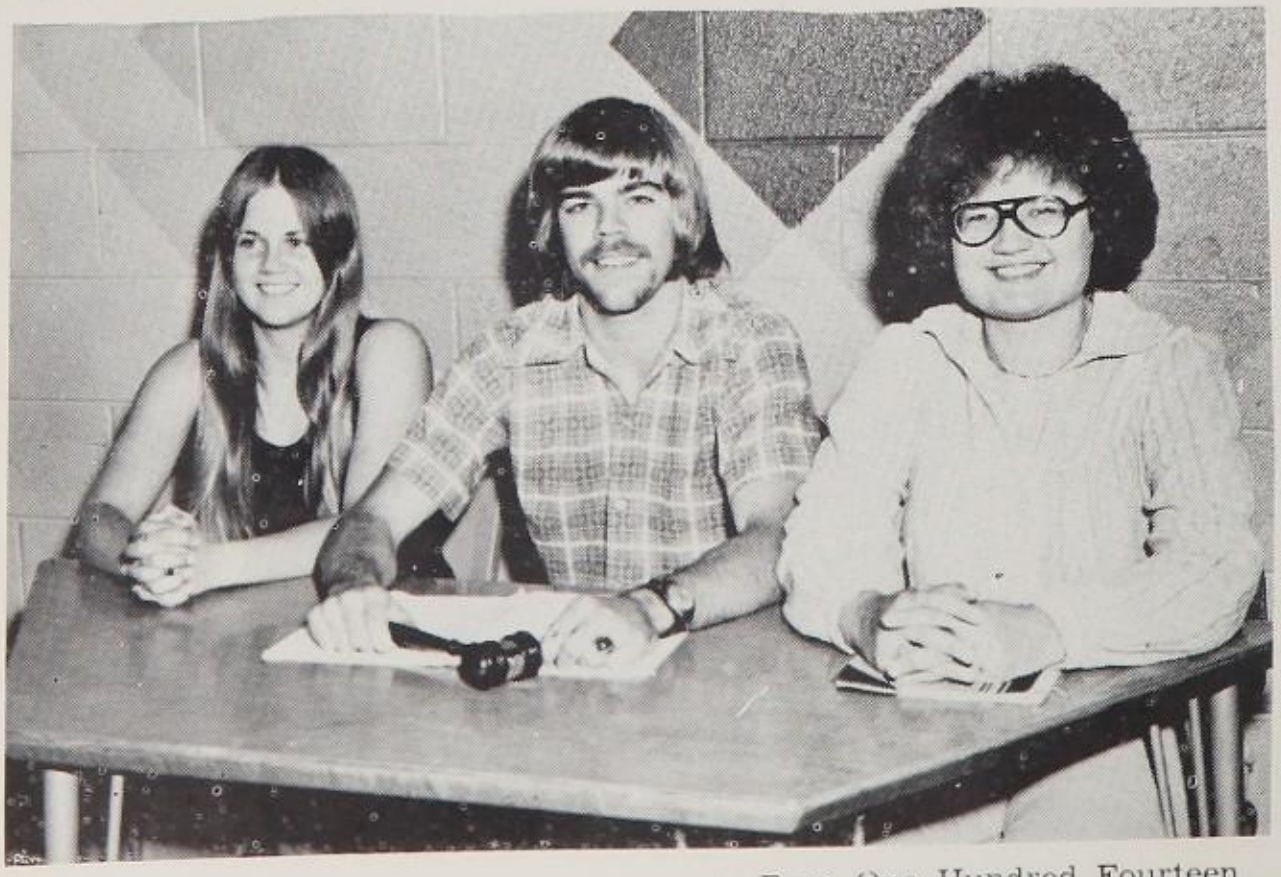
"Images" of a Representative

This was the first year for our Student Council to operate under its new constitution, which provides for greater participation in council by a larger number of students. Council oriented activities were greatly improved this year over past years through our new system. One obvious improvement was Homecoming. Other big improvements were our assemblies and cafeteria dances, some of which we were able to hold in the gym, as well as elections. As the students arrived at school in August, they quickly spotted the paint job in the lounge, one of the council's summer jobs. The council kept busy all year as they took over "B.S.", attempted to organize Little Six Conference special activities, and serve the students of A.H.S. in the best way possible. We salute the "74-75" Student Council.

STUDENT COUNCIL OFFICERS - Jo Lee, Secretary; Bruce Allen, President; Abbie Acord, Treasurer; Absent - Shawn Conway, Vice President.



The new Student Council constitution provides for chairmen to be elected by the students to head Council matters dealing with their particular area, which include: Social Affairs, Elections, Citizenship, Lounge and Noonhour, Homecoming, Printing and Publicity. Through these chairmen, the Council is able to work more efficiently and spend more time serving the students and people of A. H. S. A great improvement for A. H. S.

"By the Students", or just "B.S.", was our school newspaper composed of articles and original work by students of A.H.S. The paper started as an independent English project of Vicki Dahl and Shawn Conway, but was taken over by the Student Council when Shawn left in February on the A.F.S. program. The paper greatly lifted the spirit of A.H.S. and quickly became an important part of the weekly routine here.

The vocational building trades class successfully combines the talents of high school students from Aledo, Winola, and Sherrard. They work together on a project while learning the various skills included in the building trades industry. The boys learn painting, carpentry, sheet metal, masonry, plastering, electrical welding, plumbing, heating, and air conditioning, while working in actual job situations. The latest project, which has extended over a period of two years, is a three-bedroom house located in the Walsten-Roquet addition in New Windsor, Illinois. The house was completed at the end of this school year and sold at auction in June for $38,000.

The completed project built during the 1973-1974, 1974-1975 years.

Mexican Christmas Tour

On December 27, 1974 at 3:45 a.m., a charter bus left A. H. S. north bound for O'Hare Airport in Chicago, Illinois. The 22 passengers on the bus were students from A. H. S. who had at least two years or more of Spanish. These passengers, including Mr. and Mrs. Gary Ricketts and son, Eric, and Mrs. Frances Nelson, were going to O'Hare for a specific reason. That reason? To meet Miss Sharon Foote and her eleven students from North Chicago High School and catch the 11:21 a.m. 707 charter flight, non-stop from O'Hare to Mexico City.

The group of 34 spent two days in Mexico City sightseeing. They saw things such as the President's Palace; the Cathedral, which is the largest cathedral in Latin America; the Museum of Anthropology in Chapultepec Park and the Sun and Moon Pyramids. Then on December 29, the group boarded another charter bus and set out for Taxco on one of the worst rides any of them had ever experienced. Miles and miles of winding mountain roads lay ahead in the 10,000 feet altitude. Between Taxco and Mexico City the group stopped in a small town called Cuernavaca. Arriving in the Silver City, Taxco, during late afternoon, the group had more sight seeing to do. The cobblestone streets presented some problems for the girls and their "platforms". Downtown Taxco is the public's marketplace. Seeing this was definitely an experience. The place, filled with Mexican housewives, their children and pets, and their goods for sale was a lesson to everyone from the States in cleanliness. The odor was totally unbelievable.

The last four days of the Mexico Christmas Tour were spent luxuriously in Acapulco. It was there that most was learned about Mexican people by the group. The first thing learned, and probably the most significant, was the fact, that, in Mexico, it is not a moral sin to "rip-off" or cheat someone. The next thing, and the most difficult for the students to understand, especially being raised in the hustle and bustle of the United States, was "Siempre, hay manana." (there's always tomorrow.) Hearing manana, manana, manana became just a little frustrating. The last thing they learned, but certainly not the least, was how to buy something from an individual. One must never accept the seller's first price for that is considered to be an insult. You must bargain for the item and that is half the fun.

Finally, on January 3, 1975, the tour group boarded another bus at their hotel and headed to the airport in Acapulco. After going through customs there, one could see the sorrow and regret many students had on their faces as they boarded their flight home to leave the fair city and beautiful country. The trip was not only a luxury trip but also a learning experience that will not easily be forgotten.

Aledo's Aussie

Gail Ward, the originator of our A. F. S. club, felt part of her purpose was to promote better relations between counties and help the community. Gail unlike most A. F. S. students, got over the "language barrier". Her cheerfulness and clever conversations livened up our halls and she had a way with the animals at Dr. Beer's. Gail genuinely showed her appreciation in her going away speech with: "You are all a fantastic people and you live in a really great country, and I hope you are as proud of it as I am proud to have been able to visit it. I want to thank each and every one of you for making this the best year of my life. Thank You."

When did you learn how to play the piano?

Our Belgian Belle

Although Chantal Breda joined our class in January, she made up for lost time. This soft-spoken girl from Belgium made friends easily and quickly. She thought we had a few strange customs, but she soon adapted to them. Chantal loved chocolate and even showed the foreign foods class how to make Chocolate Mousse. Besides having a talent in cooking, Chantal had fun in art class. She was a person always very willing to help anyone.

Chantal meets her new brothers and sisters.

Chantal leaves for Belgium via El Paso.

Chantel and Gail wish Shawn luck.

Hi! Honduras!

Shawn Christopher Conway, a name well known throughout A. H. S., left us in his Senior year to travel to Honduras, Central America.

He was the first Aledo A. F. S.er to leave in the middle of his Senior year. That position held quite a challenge, but we knew he would accept and enjoy it. He left many friends behind who with time well realized his absence. The Senior Class salutes Shawn as an "Outstanding individual and a friend."

Shawn says "good-bye" at his farewell dinner.

SHORT TERM A.F.S.er's - 1st row - Sally Stutsman, Pam Lund. 2nd row - Joy Brown, Gail Ward, LuAnn Elas.

AFS Short Term Exchange

Since this was the first year for short term exchange, the program was on somewhat of a trial basis. This year we had five Aledo students participate in this new program. They were Joy Brown, Gail Ward, LuAnn Elas, Sally Stutsman, and Pam Lund.

Joy and Gail visited Orlando, Florida; LuAnn went to St. Paul, Minnesota; Sally stayed in Iowa City, Iowa; and Pam lived with a family on Long Island, New York.

While a student can stay anywhere from two days to two weeks with an assigned family, this year everyone chose to stay the full two weeks. Students may choose to go anywhere in the U.S. as long as they pay their transportation and A.F.S. can locate a family for them. Although only Juniors and Seniors participated this year, the program is open to grades 9-12.

We also had a student visit Aledo High School for a few days. Laurie Chirhart came from St. Paul, Minnesota and was a friend of LuAnn's during her stay in Minnesota.

Even though this was the trial run for the new program and there was some confusion in getting connections straight, most everyone thought the program was a big success and hoped it would be continued in future years at A.H.S.

Aside from being fun, the program offers much in the way of education. Students not only in the classes they attended, but they also learned a great deal through everyday living in school and in a culture that was entirely different from their own.

Lauri Chirhart, our A.F.S. Short Term Exchange Student from Minnesota.

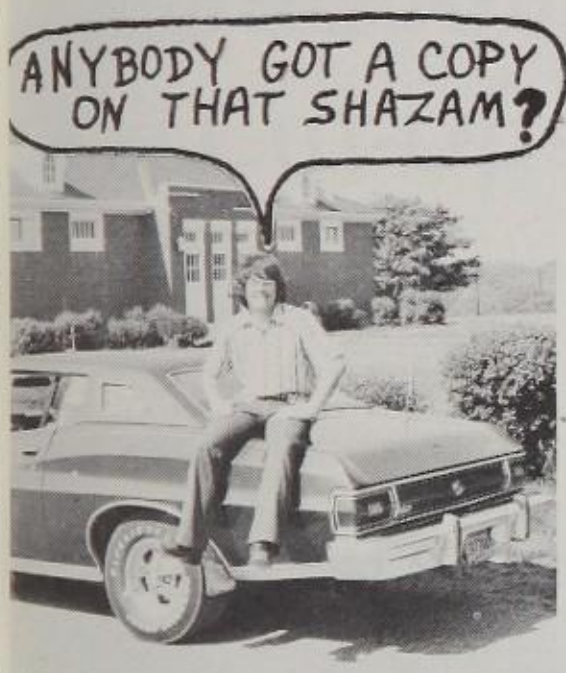
WE'RE WAITIN,
WE'RE WAITIN,
WE'RE WAITIN,
FOR WHO?

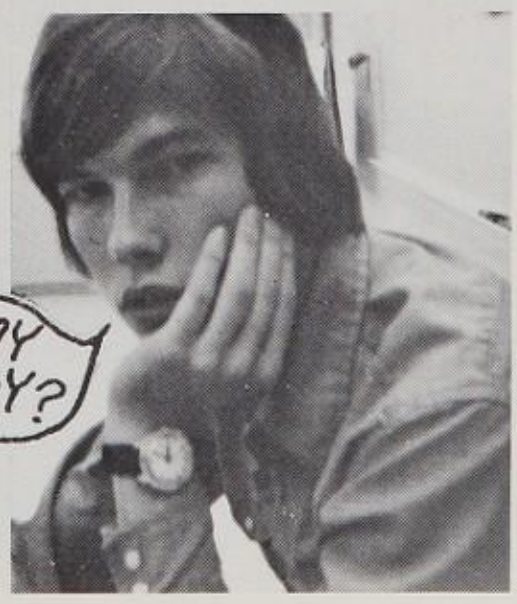
I LOST MY CAP
IN THE WOODS
LAST NIGHT.



ANYBODY GOT A COPY
ON THAT SHAZAM?

LOOK OUT
WORLD!!

MONDAY
ALREADY?



What's so interesting?

Spit it out, Pam.

Ho, Ho, Ho! ! I'm so happy!

Clear the streets, we're educated!

That's just right! !

Well, what's the big idea?

Graduation Cut-Ups

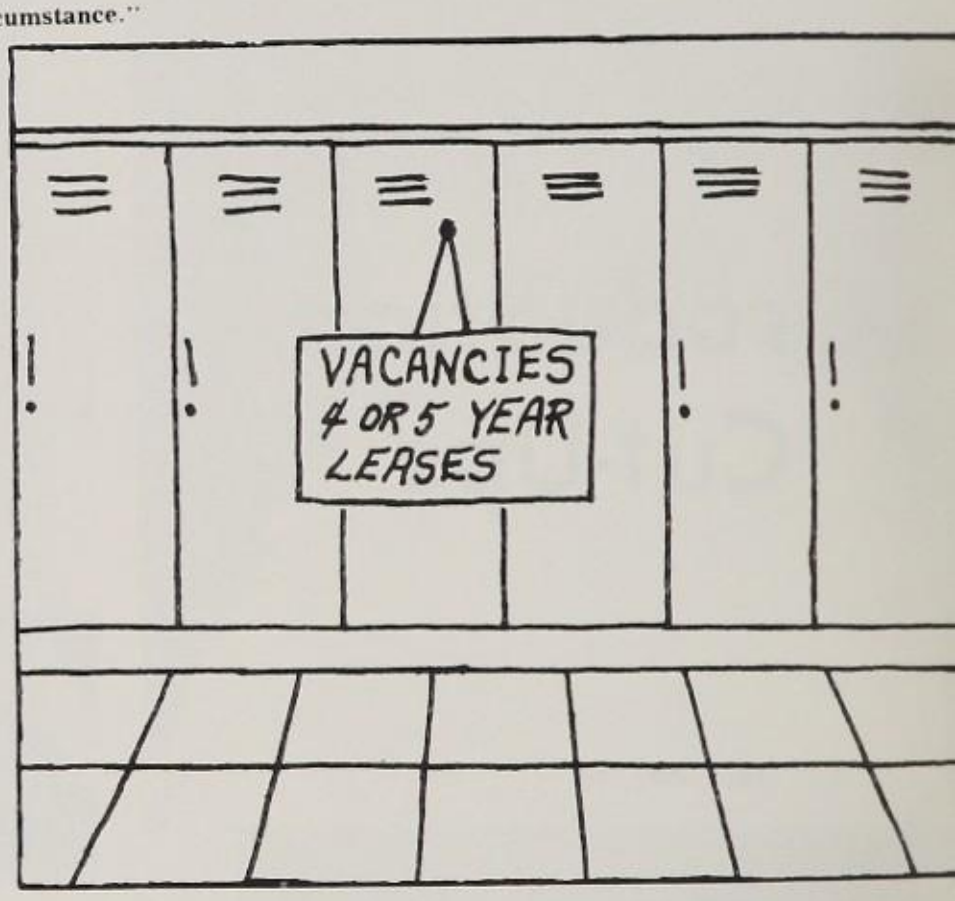
What's so funny?

Dan's funky cap.

I think I'm gonna burn up!

"Pomp and Circumstance."

Teri reads a poem to the parents.

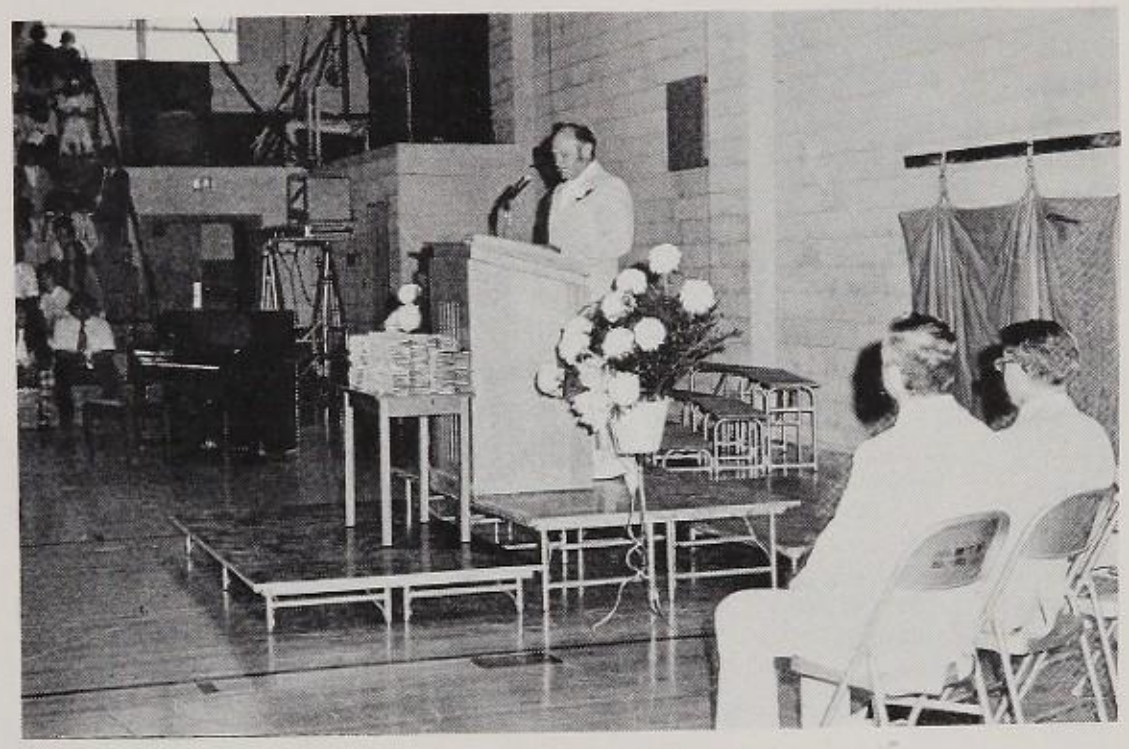


The graduates display great enthusiasm!

Senior Chorus.

As We Graduate....

"And how many of you
have stopped to think
of what year it will be
on your 25 year reunion?
The year 2000!"



Do ya see anybody I know?

"Parky" delivers a fantastic address.

SAY THE MAGIC WORD...

CLASS WILL

I, **ABBIE ACORD**, being just "Booby," do hereby will and bequeath to most of the class of "77" the ability to carry on and make up new nicknames because they, too, have the creative minds to do it. And to my own class, remember: don't forgive the "Debts" who debt against us!!

I, **BRUCE ALLEN**, being of "Pud" mind and "IBM" body, do hereby will and bequeath to Mark Artcher, Butch McCreight, and Alan "Spade" Whitehall, my accuracy with bottle rockets; to Bruce Vipond, my obscene nickname "Pud"; and to the Elas twins the book **The Evils of Teenage Drinking.**

I, **TIM ANDERSON**, being of little mind and even littler body, do hereby will and bequeath Maid-Rites to Bryan McCreight, Monte Fausett, and Mike Peterson.

I, **JEFF ATTIG**, being of "racin" mind and "appealing" body, will and bequeath to Rick Rush all my used car parts; to Mr. Neuges his own T.V. program at 6 and 10 P.M.; to Al, Butch, and Artcher, a gun to shoot the "debts" with; and to Mike Bertelsen, one pit pass to Cordova "Drag" way.

I, **CAROL E. AUTENRIETH**, being of "sugared" mind and "shot up" body, do hereby will and bequeath to "Snorto" my used diabetic hypodermic syringes.

I, **CHERYL AUTENRIETH**, being of a sound mind and dumb body, do hereby will all my pencils and pens and erasers to Dave Witt and all the art classes.

I, **ANNETTE BARNES**, being of a sound mind and dumb body, do hereby will Laura Nelson and Mary McCutchan two 19 year I.D.'s and 1,000 round trips to Muscatine.

WE, KRIS BIVENS AND BRENDA KELLY, being of overworked minds and small bodies, do hereby will and bequeath to Kathy Decker a book on how to apply make-up because she always has on enough for four people.

I, **SUZY BOGGUSS**, being of abnormal mind, "nose", and body, do hereby will and bequeath my smile to Sally Stutsman, my freckles to Randy D. Cooper so that he can have a year-round tan, and the "very" best of luck to Gail Ward and Mr. Lotz (whose acquaintances "Wivened" up my years at A.H.S.).

I, **PAUL ANTHONY BORUFF**, being of bewildered brain and short body, do hereby will and bequeath to Jeffery "Head" Attig a complete wardrobe of gunny sacks, to "it's Rod" Ricketts a year's supply of Listerex Scrub, to Al and Butch my fireworks supplies, and to the teachers one sawed-off-shotgun complete with a year's supply of shells to shoot the "debts" with.

I, **DON BRANDON**, being of "chuck-filled" mind and body, do hereby will and bequeath to Mr. Loveless my curly hair because he knows how to handle it. Also, lots of fun to the kids in special ed. classes next year.

I, **JON L. BRECHBIEL**, being of lost marbles mind and bicycle body, will and bequeath my lost marbles to Cindy Thorndike and a Mad Comic book to the three mouseketeers, (Crystal, Cheryl, and Shirley) because that's the way they acted toward me.

I, **CHANTAL BREDA**, being of Belgian mind and foreign body, do hereby will and bequeath all my pairs of white socks to Gail Ward and Becki Swearingen, my French accent to Julie Harrington and all the chance possible in this world to the next A.F.S. student, whom I am sure will have a rough (but good time) with the A.H.S. kids!

I, **BOB BROOKS**, being of "BR" mind and body, do hereby will and bequeath my tuba ability to my brother Harold. Also to the students of A.H.S. my spirit because they seem to be losing it.

I, **CINDY BROWN**, being of Pollyanna-age-mind and band-aid-size body, do hereby will and bequeath to Lori Tracy, a "doo-doo" cover for her "doo-doo" car, and my leftover band-aids and curad-kid nickname to Denise Gowdy who fills the requirements for the name.

I, **DIANE BROWN**, being of irritated mind and fired up body, do hereby will and bequeath to Karen Kelly one heavy duty Oldsmobile so that she might squall "down a hill" and throw people off the back.

I, **JOY BROWN**, being of "ribbit" mind and green body, do hereby will and bequeath by body to the zoology class so they can have a perfect specimen, my ability to confuse Miss Miles to next years trig class, and my croak to Mr. Hogan although he seems to have already developed one.

I, **TAMI CHELLOS**, being of great mind and a body that drives men wild, do hereby will and bequeath all of my craziness to Mr. Lotz, even though he has enough, because that's what makes him such a great teacher.

I, **SHAWN CONWAY**, being of "lunch rat" mind and "mesh-head" body, do hereby will and bequeath all of my football ability to the sophomores because they seem to have some potential. Also, my bright outlook on life to Vicki Dahl and to the Student Council of next year the ability to get things done.

I, **VICKI DAHL**, being of "inferior mind" and "busted body", do hereby will and bequeath the following: my Duster to my brother because "it's too hot" for me to handle, my underserved (?) nickname back to Dennis, who gave it to me, and to Dungi who so kindly made sure it stuck. "It STINKS!"

I, **STEVE DELLITT**, being of "gased" mind and body, do hereby will and bequeath 50 free gallons of gasoline to Robin Baker because she is always driving around.

I, **LINDA DIEHL**, being of long body, "Ya-butt" mouth, and typewriter mind, do hereby will and bequeath my track ability to Pat Lafferty, to Lisa Parkinson and Julia Allen one automatic card "shuffler", my nickname "ya-butt" to anyone who can meet the qualifications for it, and to Dawn Attig and Scott Jones one or two "butter dishes" from Apollo.

I, **SANDRA DIEHL**, being of questionable mind and falling body, do hereby will and bequeath to Donna Bivens and Laura Nelson a little maturity in the P.E. locker room, and to Beverly Diehl my ability to go to Colorado and London her senior year with a special friend.

I, **PATTI DOBBS**, being of mellow mind and neglected body, do hereby will and bequeath to the student lounge a variety of Herbie Mann tapes so they can appreciate the sound of fine music.

I, **SUSAN DRISCOLL**, being of useless mind and "flattened" body, do hereby will and bequeath to Dennis Dutton the ability to keep his hands to himself, to Marty Kenney the ability to go with a girl without first looking at her body, to the girls locker room 500 rolls of toilet paper and to my band-aid twin I leave memories of all the fun we had.

I, **LUANN ELAS**, alias "Mmmm Big Lu", being of "Gorgeous" and "Beautiful" mind and even more "Lucious" body, do hereby will and bequeath to Ted Ramsdell and Phil Moran the ability to sing and dance like Bette Midler since they love her so. (Plus my Elton John T-shirt.)

I, **GAYLE FAUSETT**, being of sound mind and body, do hereby will and bequeath my long legs to the Stancliff twins because they are so short. Also, to Judy Robinson and Debbie Eggen the ability to carry on all the fun times we had.

I, **DEBBIE FINCH**, being of burnt out mind and out-of-shape body, do hereby will and bequeath to Merri Stancliff a new pair of P.E. shorts so her cheeks don't show when she does keep knee bends.

I, **SCOTT FINCH**, being of unbelievable mind and irreplaceable body, do hereby will and bequeath to the "smokers" of Aledo High School five new trees of their own so they won't look so dumb hiding behind the ones across from the school.

I, **SUSIE GLENN**, being of well educated mind, and having brown-nosing ability, do hereby will and bequeath to baby-face, (Glen), Millikan the ability to brown-nose Mr. Stephens and to Randy, (skinny), Cooper the ability to get yelled at by Mr. Stephens.

I, **CATHY GOOD**, being of "Got no" mind and a fast expanding body, do hereby will and bequeath my nickname of "Got No Brains" to "P.P. Zinger", knowing he'll find someone else to pin it on. Also, to Chris Birkhead and Diane Hunt I will my ability to stay happy even when I'm worried about "things".

I, **PAUL GOOD**, being of Bong mind and Bang body, do hereby will and bequeath my extraordinary offensive ability in basketball to Kevin Maule, alias, Mr. Defense, in hopes that he may play more than I did.

I, **DOUG GOWDY**, being of overworked-n-overdone mind and tall, loose body, do hereby will and bequeath to Brian Forret my singing ability so he can at least sing if he "gitts" in the Bridge again, and to Billy Vipond I leave what muscles I have so he can stand up to the people he "picks" fights with.

I, **PATTI GRAY**, being of blushing mind and body, do hereby will and bequeath one pair of elevator shoes to Jeff Smith so he doesn't have to look up to everyone, and to Kathleen Conway and Debbie Jones my ability to get mixed up with elephants.

I, **BRAD GREER**, being of "Grrrrreat" mind and body, do hereby will and bequeath to Mr. Malone a one dimensional worm and a box for it.

CLASS WILL

I, KATHY HANEY, being of simple mind and physically fit body (?), do hereby will and bequeath my starting position in volleyball to Karen Kaempfer; to Cooper, DeBord, Kaempfer, and Scanlon the hope of helping Sally manage another year of volleyball, and to have as much fun as we did this year; and to John Earl his own typing eraser.

I, TERI HARMON, being of farmer mind and "duck" body, do hereby will and bequeath to Andy Downey the ability to ride his motorcycle down the road and not in his neighbor's ditches; to "turtle", a black belt, and to my sister "Daffy", my waddle.

I, JULIE "ROLLER DERBY" HARRINGTON, being of retarded mind and "jammed" up body, do hereby will and bequeath to Pam McCaw a pair of larger pants, and my nickname Roller Derby to no one.

I, DEBBIE HARROUN, being of "higher" mind and "lower" body, do hereby will and bequeath my "space" in school to Jo Lee because I'm sure she's "spacey" enough to fill it. To Dave Thomas I leave a box of Miss Clairol to "wash away the Gray".

I, TIM HASTINGS, being of "infra-Red" mind and "ply-Wood" body, do hereby will and bequeath to the teachers stuck at A.H.S. an atomic bomb in case the "debts" get you down, to the lovers in the halls one crash course in growing up, and finally to athletes at A.H.S. the ability to persevere.
